ALABAMA IS THE NATION’S SIXTH POOREST STATE.

More than 800,000 of our neighbors – including 262,000 children – live below the poverty line.

Alabama Possible is a statewide nonprofit organization that breaks down barriers to prosperity through advocacy, education, and collaboration. Our research-driven work connects Alabamians and equips them with resources to build a stronger Alabama. We also influence public policy so all Alabamians have equal opportunities to lead prosperous lives. Alabama Possible has changed the way people think and talk about poverty in Alabama since 1993.
