ALABAMA IS THE NATION’S FIFTH POOREST STATE.

More than 800,000 of our neighbors – including 256,000 children – live below the poverty line.

Alabama Possible is a statewide nonprofit organization that breaks down barriers to prosperity through advocacy, education, and collaboration. We influence public policy to ensure every high school graduate in our state can pursue a technical or academic credential after high school. Our programs connect Alabama’s educational leaders, students, and families with the resources necessary to cultivate a college-going culture and equitable educational attainment.
