

**Education and
Technology are
great partners.**

Kentucky State is distributing **FREE** laptop computers to its fall freshman class.

Every freshman will receive a Dell Latitude 3190 laptop with the proper supports, including Windows 10 OS, Microsoft Office, anti-virus protection and technology assistance from Dell and Kentucky State's information technology office, at no cost to the students.

LAPTOP FEATURES:

- Microsoft Windows 10
- Sealed, spill resistant keyboard
- Rubberized base, built to handle 30-inch drop
- 10 hours of battery life
- Intel®-Celeron quad-core processor
- Pentium quad-core plus DDR4 memory
- 180-degree hinge

We'll see you in August!

Students will receive their laptops when the semester starts.
